Holographic Tactical Kit

HHS001 holographic tactical kit

Overview

The Holographic Hybrid Sight (HHS001), featuring a HHS01 with M4(109D) magnifier combination is the perfect solution for Close-Quarters Combat situations as well as 600-meter targets. Instant transition is achieved through a Switch-To-Side (STS) mount that offers a simple and quick disengagement of the magnifier. This durable night vision-compatible system offers wide field optical performance for visibility in extreme low-light conditions.
